At 7:40 P.M. the Town Meeting reconvened in the Fire Station to act upon Articles 2 through 33. The meeting was started with the Pledge of Allegiance to the Flag. Moderator Edward Libby read the results of the election of Town Officers, and School Board Members. Selectman George Burns announced to those present that Aaron Smith, while on vacation became ill. He is now at home, feeling better and on the way to recovery.

Article 2. It was moved by Lewis Hanson and seconded by Chuck Burns to raise and appropriate the sum of \$288,411 to defray the town charges for the ensuing year. The vote was unanimously in favor.

Article 3. It was moved by Chuck Burns and seconded by John Kimball II to raise and appropriate the sum of \$9,890 for the purpose of completing E-911 for the Town. Seth Ira Stearns does not believe this vote should pass. He thinks that the money should be spent on the roads, and he would like the Town to solve the 911 problem. He does not feel that the Town should pay for this. David Johnson questioned expending this amount when we have been working on 911 for 5 years. George Burns explained that we have had volunteers working on this project. A commitment was made at the Budget Hearing to have this completed by September. The company that does the town mapping, Cartographics, has promised to complete this project in that time frame for \$9,890. Mr. Burns strongly urged this Article be passed. Scott Davis is against this motion and feels that a volunteer committee be formed. The vote for this Article was done by secret ballot with a votes of 62 NO and 33 YES. This Article was defeated.

Article 4. It was moved by Lewis Hanson and seconded by George Burns to raise and appropriate the sum of \$228,657 for the maintenance of the Town Highways and Bridges, including sidewalks and dead tree removal, \$23,628.41 to be paid from State Highway Block Aid, the balance of \$205,049 to be raised by taxes. The vote was unanimously in favor.

Article 5. It was moved by Chuck Burns and seconded by George Davy to raise and appropriate the sum of \$60,000 for the purpose of upgrading Town roads, to include Old Meredith Road, Hawkins Pond Road, and Follett Road, and any other sections of roads deemed necessary per priority of the Road Agent. Kirk Meloney asked if the priority list was available. Yes the list is available. Jean Meloney asked if the section of College Road that is torn up will be finished. Jeff Haines, Road Agent, answered, "Yes". This Article was passed by a majority vote.

Article 6. It was moved by Lewis Hanson and seconded by

Chuck Burns to raise and appropriate the sum of \$158,779 for the disposition of Solid Waste. This amount is less than last year. This Article passed with a majority vote.

Article 7. It was moved by Chuck Burns and seconded by Ken Ballance to raise and appropriate the sum of \$77,475 for the maintenance of the Center Harbor Fire Department. The vote was unanimously in favor.

Article 8. It was moved by Ken Ballance and seconded by Duke Kline to amend this Article to read, "To see if the Town will vote to adopt the BOCA National Building Code and the BOCA National Mechanical Code and all future revisions and updates for all structures used for commercial purposes in the Town of Center Harbor and to adopt for one and two family residential structures the CABO One and Two Family Dwelling Code and all future revisions and updates for all residential one or two family structures in the Town of Center Harbor and to appropriate \$2,000 for the purchase of the BOCA Manual." Greg Garrick asked what the BOCA Code is. Ken Ballance explained that this is a minimum structural code for construction of commercial buildings which includes life and safety codes. The CABO Code is for residential construction and is not as rigid. This Article was passed by majority vote.

Article 9. It was moved by Lewis Hanson and seconded by John Kimball II to raise and appropriate the sum of \$102,491 for the operation of the Police Department. The vote was unanimously in favor.

Article 10. It was moved by George Burns and seconded by John Schlemmer to raise and appropriate the sum of \$42,412 for Parks and Recreation, to include Band Concerts, Holiday Celebrations and Lifeguards. Duke Kline asked if this amount included all band concerts for the summer. Mary Ellen Wargo, Parks and Recreation Director answered, "Yes". This Article passed with a majority vote.

Article 11. It was moved by George Burns and seconded by Diane Kline to raise and appropriate \$20,000 for the construction of a playground at the Town Beach. This sum is to be offset by donations to the extent possible with a maximum of \$5,000 to be raised by taxes in 1999. Dennis Schofield spoke for the Playground Committee. The playground has been designed to accommodate 57 children and is handicapped accessible. Fund raising will be done throughout the summer. New Hampshire Electric Co-Op will move some of the overhead wires. The playground will encompass a 50'x75' area. The swing set has already been purchased from the appropriation made last year. Seth Ira Stearns asked if the playground would be supervised and fenced. Mr. Schofield stated that it will not be fenced and Mary Ellen Wargo stated that a sign will be posted warning parents to supervise their children. This Article passed by a majority vote.

Article 12. It was moved by Lewis Hanson and seconded by

Connie Martin to raise and appropriate the sum of \$35,496 for the purpose of providing ambulance service to the Town. The vote was unanimously in favor.

Article 13. It was moved by Helen Heiner and seconded by Roger Martin to raise and appropriate the sum of \$47,249 for the operation of the Nichols Memorial Library, \$5,490 to be paid from trust and other funds. The balance of \$41,759 to be raised by taxes. The vote was unanimously in favor.

Article 14. It was moved by Helen Heiner and seconded by Roger Martin to raise and appropriate the sum of \$2,500 for the application of a second coat of sealant to the exterior of Nichols Memorial Library to complete the preservation process begun in 1996. Paul Mayerson urged this Article be passed, and that those present read the Librarian's Report and the Library Report. The vote was unanimously in favor.

Article 15. It was moved by George Burns and seconded by Bess Hanson to raise and appropriate the sum of \$7,000 for Direct Welfare. The vote was unanimously in favor.

Article 16. It was moved by Lewis Hanson and seconded by Barbara Lauterbach to raise and appropriate the sum of \$500 for the Centre Harbor Historical Society. These funds are to be used for the repair of the old Center Harbor School. Seth Ira Stearns asked if the Society rents the property from the Town why does it have to do the repairs. Roger Kelley answered that this was part of the deal, that the Society would lease it for \$1.00 and do the repairs. The vote was unanimously in favor.

Article 17. It was moved by George Burns and seconded by Gregory Garrick to raise and appropriate the sum of \$1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. The vote was unanimously in favor.

Article 18. It was moved by Bess Hanson and seconded by Diane Kline to raise and appropriate the sum of \$3,500 for the Lakes Region Family Services. The vote was unanimously in favor.

Article 20. it was moved by Bess Hanson and seconded by Helen Heiner to raise and appropriate the sum of \$15,768 for the Meredith Public Health Nursing Association. The vote was unanimously in favor.

Article 21. It was moved by Helen Heiner and seconded by Diane Kline to raise and appropriate the sum of \$600 for the Lakes Region General Hospital. The vote was unanimously in favor.

Article 22. It was moved by Bess Hanson and seconded by Diane Kline to raise and appropriate the sum of \$6,911 for the Community Action Program. The vote was unanimously in favor.

Article 23. This Article was read by the Moderator. "To

see if the Town will to raise and appropriate the sum of \$300 for the Lakes Region Community Services." There was no motion put forth. This Article was not voted on.

Article 24. It was moved by Helen Heiner seconded by Roger Martin to raise and appropriate the sum of \$750 for the support of New Beginnings. The vote was unanimously in favor.

Article 25. It was moved by Jean Meloney and seconded by Bess Hanson to amend the amount of this Article to \$1,000 for the support of the American Red Cross. The vote on this amendment passed by majority. The vote on the question to raise and appropriate the sum of \$1,000 for the support of the American Red Cross was passed by majority vote.

Article 26. It was moved by Paul Mayerson and seconded by Janet Stearns to permit the installation of a four-faced post clock to be located in the area around the bandstand on Main Street. Seth Ira Stearns displayed a poster with pictures of and newspaper article about the clock. Mr. Stearns explained that the clock would be placed by the bandstand. The location would be determined by the Park Development Committee. The cost would be taken care of by donations. Richard Wargo asked if there was a master plan for the park area. Diane Drenkhahn explained that Chris Williams drew plans for this project. Duke Kline urged that this Article be denied. Dave DeGrace asked if this Article could be tabled until after Article 27. The motion to table was defeated. A petition was presented calling for a secret ballot. There were 74 NO votes and 19 YES votes. This Article was defeated.

Article 27. It was moved by Kirk Meloney seconded by John Kimball II to defer this Article until after the results of Article 26 were known. This vote was unanimously in favor. It was moved by Seth Ira Stearns and seconded by Diane Drenkhahn to raise and appropriate the sum of \$10,000 to fund a post clock, park improvements and projects to be undertaken by the Park Development Commission. This sum to be offset by donations to the extent possible with a maximum of \$5,000 to be raised by taxes. Due to the defeated of Article 26 the amount of this Article was amended to the \$10,000 figure. Skip Welch amended the Article to delete the phrase, "post clock". The vote was unanimously in favor. Duke Kline asked about a master plan for the development of the park. Diane Drenkhahn explained that there was a master plan available 2 years ago when the bandstand was voted on. Kirk Meloney asked if any of the \$10,000 was earmarked for the maintenance of the bandstand. Diane Drenkhahn said that the keys to the bandstand were turned over to the Town and the Town will have to maintain the bandstand. The Moderator called for a vote and this Article was passed.

Article 28. It was moved by Frank Arnold and seconded by Connie Martin to urge the General Court of New Hampshire, US Congress, and the President of the United States to support and pass meaningful laws reforming electoral campaign financing.

Meaningful reform will: return the political process to the will of the people; encourage participation by qualified candidates with limited means; reduce the influence of moneyed special interests on elections and lawmaking; and restore the principal of "one person, one vote" to elections. Greg Garrick asked who this would be passed on to if it is passed. Frank Arnold answered to our State House and the Senate and to the President. If it fails nothing happens. This Article was passed.

Article 29. It was moved by Lew Hanson and seconded by George Burns to vote to conform with provisions of RSA 231:43, to completely discontinue the portion of road known as Old Center Harbor Road between property owned by E. N. Dane and listed as Lot 8-49 on the Town Tax Map, and property owned by Aaron C. Smith and known as Lot 8-15 on the Town Tax Map. David Johnson asked for an explanation. Ken Ballance explained that it is a small portion of road that was discontinued by the State. By RSA it reverts to the abutters, but must be approved at Town Meeting. The vote was unanimously in favor.

Article 30. It was moved by George Burns and seconded by Warren Perkins to allow a discount of two percent on taxes paid in full within fifteen days of issue of tax bills by the Tax Collector. The Article passed.

Article 31. It was moved by Lew Hanson and seconded by Roger Martin to accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue Tax Anticipation Notes. The vote was unanimously in favor.

Article 32. It was moved by George Burns and seconded by John Kimball II to authorize the Selectmen to apply for, receive and expend federal and state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for the purpose for which the Town may legally appropriate money, provided: (1) that such grants and other monies do not require expenditure of other Town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, until rescission, all as provided by RSA 31:95-b. The vote was unanimously in favor.

Article 33. To choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen. There were no reports. Scott Davis wanted a committee formed for the continuation of the 911. The Selectmen appointed Scott Davis Chairman Pro Tem. Diane Drenkhahn suggested an article be published in the paper asking for volunteers for this committee.

It was moved by Duke Kline and seconded by Diane Kline to adjourn

the meeting. The vote was unanimously in favor. The 1999 Annual Town Meeting was adjourned at 9:50 P.M.

The Town of Center Harbor is under contract with Grzelak & Co. to be audited in 2000. The initial auditing took place in February and will be made public when the final compilation is complete. It will then be available in the Town Office.

TOWN OF CENTER HARBOR PLANNING BOARD REPORT 1999

The Center Harbor Planning Board had a steady agenda this year with bi-weekly meetings filled with various topics. The Board kept busy interpreting our ordinances during several non-residential site plan reviews, with an eye out for deficiencies along the way. The most notable was the hearing with Kodiak Holding, Inc. in which the applicant wanted to have a permanent camp for youth on approximately 170 acres with waterfront access on the Snake River. It drew one of the largest crowds on record for the hearing and after all was said, the Board denied the application due to lack of information provided. It did make the Board aware that our camping ordinance needed work, so the Board modified and made clear a new ordinance which will be recommended to the voters at Town Meeting 2000. Another ordinance worked on was the sign ordinance in which the Board attempted to clarify inside window advertising as well as outside displays and how they are to be treated during site plan review. It seems the ordinances need constant monitoring to keep them in tune for current trends and conditions. I guess the Board maintains good "job security".

As always, the Chair gratefully acknowledges the work of our clerk, Sheila Mohan. Without her we would be a lot less organized. We also welcomed two new members; Pam Toczko and Craig Hale, and we thank them for volunteering their time. The Board also wants to thank Diane Kline for her valuable contributions over the years; we'll miss her but know she'll be an asset as a selectmen for the Town.

In closing, I would like to add that Center Harbor is a wonderful place to live. The hard working employees and volunteers make it what it is. With good planning and forethought, it will continue to be the finest town around the Lakes Region for many years to come.

Respectfully submitted,

Kirk Meloney
Co-Chair, CHPB

JAMES E. NICHOLS MEMORIAL LIBRARY
Librarians's Report for 1999

Library statistics for 1999 are as follows:

Total circulation of library materials	12,159
Total number of people using the Library:	6,111
New registrations:	203
Total patron registrations:	1,859
Number of books added by purchase:	505

Materials loaned:	289

This past year, library circulation posted the second largest increase since library hours were extended in 1993. Circulation of library materials rose from 10,833 in 1998 to 12,159 in 1999, with a corresponding increase in the number of people using the Library services. The Library continued to benefit from the support of many individuals, community organizations and businesses.

A grant of \$10,000 from the Meredith Rotary Club, \$2,000 from the Sidore Foundation and \$500 from an individual donor paved the way to initiate computerizing the Library holdings. This is a time consuming and expensive process but necessary to better provide the services patrons need. We began this fall, with the help of volunteers, to barcode each book and its corresponding shelf list card. The shelf list cards will be sent to the company providing our automation program to create a computer data base for the Library. The Library public access computer saw increased use this past year, particularly during the summer months. A thank you to FCG Networks for another year of providing free internet access. With the help of Art Cowdery, we were able to continue informal internet instruction to patrons.

The Library was the recipient of a second year of education (E) rate funding from the Schools and Libraries Division of the Universal Service Administrative Co. The \$937.50 for June 1999-July 2000 included payment for installation and expense of a third phone line to provide separate internet access for the staff. A gracious individual paid for the purchase of a fax

machine for the Library.

We are very grateful to Charlie and Darlene Fritz of Electrical Installations for their sizable donation of books on tape; to Dick McCahan for cleaning and repairing the Library clock; to Keith Trevor of Crown Appliance for the donation of two air conditioners for the office and the reference room; and to Kent Warner for the construction of shelving for the office.

The generous donations of Library Trustee, Helen Heiner, and the Meredith Village Savings Bank, provided passes for library patrons to the Science Center and to the Christa McAuliffe planetarium. The July book sale was successful in finding new homes for library materials withdrawn from the collection and generating funds for new purchases. The Library jointly sponsored a \$100 savings bond for the Memorial Day essay contest with the Parks and Recreation Department under Mary Ellen Wargo and cooperated with Lori Southwick of the Parks and Recreation Department for a Christmas open house in December.

The productiveness of the past year was made possible by the aid of assistant Judy Hodges, the Board of Trustees, the Nichols Memorial Library Association and the "hands on" help of many willing volunteers.

Librarian

NICHOLS MEMORIAL LIBRARY ASSOCIATION

The Nichols Memorial Library Association has had a successful year. As was stated last year, a number of standing committees were formed to deal with specific elements of Nichols Memorial Library Association work in support of the Board of Trustees and the Librarian.

The Computerization Committee has been working diligently to teach library patrons to use the two public access computers and to begin the process of computerizing all library books and materials by barcoding each holding. This work is being accomplished mainly by a diligent group of community volunteers and is expected to be completed some time in the year 2000. Support for this program has come from generous donations by the Rotary Club, the Sidore Foundation and individuals.

The Fund Raising Committee has been concerned with a raising awareness of the Library's mission by applying to various donor groups for support in the computerization effort. Half the funds necessary for the complete computerization have been raised.

There have been two issues of the Nicholas Newsletter which has been sent to all Association members and is available to all patrons of the Library from the Librarian. Articles bring the membership up-to-date on the activities of the Association committees.

Membership in the Association stands at 60+. The new classes of membership with a range of membership fees have been very successful in providing support for Association activities. All patrons of the Library are welcome to join the Association and are encouraged to do so in order to have input in future direction of the Library.

The Program committee has focused on its reading program for pre-school youngsters. In an arrangement with KIDSWORKS Day Care, a weekly session is held in the library. A community member has usually come in and read to the children followed by one-on-one reading to the children by a group of volunteers. If there were more interested volunteers, it would be possible to expand this program.

The Building Committee has deferred its work until the Long Range Planning Committee completes its year-long study of community needs and direction for the Library in the new millennium. This committee which is composed of volunteers from the community meets monthly and will examine the community survey completed in 1998 as well as elicit additional comments from community members and Library patrons. With the assistance of the New Hampshire State Library and other sources it will report to the Board of Trustees and the Association to make recommendations for the future.

It has been an active year and all reports indicate that the year

2000 will be likewise. Any Library patron is welcome to join the Association. For more information contact the Library at 253-6950.

CENTER HARBOR CONSERVATION COMMISSION 1999 ANNUAL REPORT

During 1999, the Commission concerned itself with a number of Dredge and Fill permits for the reconstruction of existing docking facilities and shoreline construction on the lakes with the town. Most permits concerned issues on Squam Lake.

The Commission completed its thirteenth year of Lay Lake Monitoring in Center Harbor Bay. Lake monitors take water samples from the deepest point of the bay and the bay entrance on a weekly basis during the summer months. Since the inception of the monitoring program in 1986, Center Harbor has continued to enjoy the benefits of an oligotrophic (clear and clean) lake. This program is part of a statewide monitoring program under the direction of the Freshwater Biology Group at the University of New Hampshire. Our commission completes a field study with the FBG staff annually on Center Harbor Bay during the month of June.

The Commission was also involved in the annual Household Hazardous Waste Collection Day on the last Saturday in July. The collection took place at the Meredith waste collection facility. Hazardous household chemical wastes were collected and disposed of properly with the assistance of a professional waste collection company.

The Ken Sorlien Campership Award was made available to two Center Harbor youths again this year. Its purpose is to promote conservation awareness through education. Annually our town sponsors two young people to participate at a Conservation Camp at the Bear Brook State Park in Allenstown.

The Commission was awarded grant monies this year which have been earmarked for replacement tree planting at the town beach area.

NH/VT SOLID WASTE PROJECT 1999 ANNUAL REPORT

The Project offices greeted 1999 in new offices located at 130 Pleasant Street in Claremont. This move provided cost savings as well as updated facilities and better parking.

As we did in 1998, every effort was made to keep the tipping fee low, which again worked to discourage diversion of waste from our communities. The collective efforts of all Project representatives resulted in the delivery of approximately 49,700 tons to the Claremont incinerator. The continuing efforts of both the Sullivan County Regional Refuse Disposal District and the Southern Windsor/Windham Counties Solid Waste Management District to responsibly address their responsibilities for solid waste management and disposal have benefited us all.

Both the short- and long-term planning efforts begun in 1998 continued throughout 1999. We are still faced with a lack of capacity at the ash landfill because it will be full in early 2001, and a decision on whether to close the facility and pay the additional cost of transporting the ash to an alternative landfill or to construct some type of expansion needs to be made in the immediate future.

The Project continued its efforts to solicit all ideas and concepts in order to make the best possible decisions with regard to the future of the landfill, ash disposal options through 2007 and consideration of the future of the Project after the Waste Disposal Agreement expires in 2007. As part of this effort, proposals were solicited from the general public as well as the waste industry. Each person who submitted a proposal was given an opportunity to make a presentation to the Joint Meeting to ensure that all ideas were fully understood.

This process took us into the fall and resulted in the decision to finish the process with the assistance of a professional facilitator as well as a recommendation that the issues under consideration be divided into two tracks. A final decision on the facilitator(s) is anticipated in early 2000, and the facilitator is anticipated to be used to address the long-term planning considerations, while the Joint Meeting will address the short-term issue of the landfill reaching capacity in the short-term. In November the Joint Meeting decided to use an anonymous ballot vote to identify the top three preferences of a majority of representatives based upon all the options presented to date. The results of the poll indicate the following:

1. Transfer Property to Wheelabrator
2. Lateral Expansion of the Landfill
3. Vertical Expansion of the Landfill

On the legislative front, there were several bills introduced in the New Hampshire Legislature that affected the Project and/or the Sullivan County Regional Refuse Disposal District, while activity affecting the Project in the Vermont legislature was fairly quiet. Among the most noteworthy were the mercury bill, establishment of a committee to study the NH District, and a bill introduced by the Town of Newport to remove the ash landfill's exemption from local land use controls as a result of its municipal ownership.

The mercury bill received a large amount of attention from the Project office and many individual representatives because it poses significant cost implications to both Districts. Every effort was made with the assistance of Senator Disnard (Claremont) and Senator Johnson (Meredith) to ensure that state funds were included so that the bill did not create an unfunded mandate for the New Hampshire communities. This effort will continue through this legislative session as the bill has gone to a conference committee between the House and Senate to reconcile differences in the versions passed by each. If successful in maintaining funding for the New Hampshire communities, this will avoid an expense which could potentially exceed \$866,000 for capital costs and tens of thousands of dollars in annual operating and maintenance expenses required by the retrofit through 2007. As you can see, the impacts are

potentially significant and the continuing assistance and support of the towns and representatives is greatly appreciated.

Representative Tuthill (Acworth) introduced several bills in the New Hampshire legislature which were harmful to the common interests of the Project. Only one of Representative Tuthill's bills passed and that was a bill that created a legislative committee to study the organizational, financial and environmental impacts of the Sullivan County Regional Refuse Disposal District on Sullivan County. This committee is comprised of Representatives Patten, Leone and Foster, as well as Senators Disnard, Johnson and Below. Given the scope of the task, the committee chair, Representative Patten, is seeking authorization for an extension to file a report. This committee has held several meetings in Concord as well as a public forum in Claremont, and has received voluminous materials from many interested parties. If you would like more information on this committee, please feel free to contact the Project offices at 603/543-1201.

Discussions with the Town of Newport are continuing in an effort to address the concerns of the community hosting the ash landfill with regard to future uses of the site. The Town of Newport adopted a zoning ordinance and land use regulations at their last town meeting which address solid waste facilities.

The only litigation involving the Project in 1999 was a lawsuit filed by Newport representative Peter Franklin seeking access to confidential information under the New Hampshire "right to know law" (RSA 91-A) which provides access to public records to members of the public. Unfortunately, this issue has escalated because of efforts by Mr. Franklin's attorneys to raise questions on whether the Project's collective activities are controlled by the Joint Meeting or independently by the individual districts. As many of you may recall, this issue with regard to budget authority was settled through an arbitration between the two districts several years ago and confirmed that the Joint Meeting is the body which holds the collective authority to govern the Project. It is hoped that a decision by the Executive Committee establishing controls on access by Mr. Franklin to confidential information will resolve this case, thereby avoiding further litigation or the potential need for another arbitration.

The FY2000 budget was adopted by the Joint Meeting in the amount of \$3,587,983. This budget allows the tipping fee to remain competitive at \$66.88 per ton, effective January 1, 2000. The Southern Windsor/Windham Counties Solid Waste Management District voted to adopt a budget which included an additional \$2/per ton surcharge to generate funds for District specific activities including household hazardous waste collection. As of the writing of this report, the Sullivan County Regional Refuse Disposal District has yet to adopt an annual budget. The VT District tipping fee will go into effect on March 1, 2000 for waste delivered from its member communities.

As 1999 draws to a close, we continue to enjoy active participation in district and executive committee meetings. The future decisions made by the Joint Meeting will undoubtedly be made stronger by this public involvement and community input.

CENTER HARBOR FIRE DEPARTMENT
ANNUAL REPORT
1999

1999 saw an increase in calls for the Center Harbor Volunteer Fire Department. 99 calls were fire related, 91 calls were medical emergencies, 23 were for motor vehicle accidents and 12 calls for service were answered for a grand total of 225 calls. Fortunately only three serious structure fires occurred in Center Harbor during 1999. This is a true reflection of the safe practices of all residents in relation to fire safety.

One area that continues to show increased volume of calls is medical emergencies. The Town of Center Harbor is very fortunate to have many dedicated individuals willing to volunteer their time and talents to this cause. At this time we have 6 First Responders and 5 EMTs and a very quick response from Stewart's Ambulance.

As we enter the new century we ask for your continued support in our quest to provide the best possible service to this community. We are currently seeking to purchase a new rescue/utility vehicle that would be equipped to respond to every type of emergency that might occur within Center Harbor. This vehicle will replace our current utility which is 18 years old. It is essential that the fire department continues to update its emergency equipment to be prepared to deal with any possible situation that might occur within the Town of Center Harbor.

The firefighters and officers of the Center Harbor Volunteer Fire Department would like to thank you, the residents, for your continued safe practices.

Remember, if you need emergency help, call 9-1-1. If we can be of any assistance for answering questions or providing inspection services, please call our business line at 243-4451. We are always looking for new members. The day time is always the hardest to cover in a volunteer organization when most work out of town. If you or anyone you know would like to join us in serving the community, please call me at my home at 279-8535.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

CENTER HARBOR
E-911 COMMITTEE REPORT
1999

In 1999 Center Harbor formed a committee of seven individuals dedicated to the implementation of Enhanced - 911 in our community.

Through their many efforts, the cooperation of the Town's Selectmen, the Town's Office Staff, and the Office of Emergency Communications for the State of New Hampshire, we have accomplished a large portion of our goals.

During the year 2000 we expect to have completed 90% of this project, with new road signs, new address designations and street numbers.

We appreciate your cooperation with this effort to simplify the location of properties, whether for emergencies or for mail deliveries.

Thank you.
Respectfully,
D. Scott Davis, Chairman
E-911 Committee

CENTER HARBOR POLICE DEPARTMENT
1999 ANNUAL REPORT

1999 proved to be busier than 1998. There were 1307 incidents during the year. We noticed an increase in drug and alcohol issues involving young teenagers as well as adults, with the result being an increase in drug arrests.

In 1999 we improved the training of the Police Officers. We also made some changes to the Police Department's office. In 2000, we plan to review policy and procedures within the department.

The following is a break down of the Calls for Service in 1999.

Calls for Service (397 during 1999):

Rape	1	Domestic Violence	16
Attempted Home Invasions	1	Other Assaults	1
Attempted Abduction	1	Attempted Suicide	2

Andrew Faller
Chief of Police

Center Harbor Park Development Commission

The Center Harbor Park Development Commission was established to preserve and extend all the community park facilities. All of the commissioners are former active members of the 1997 bicentennial committee. The commissioners are: Seth Ira Stearns, Chairman; Paul Mayerson, Vice Chairman; Nancy Starrett, Secretary-Treasurer; Ingrid Smith; Chris Williams; Richard Drenkhahn; and Nancy Kelley.

The commission was able, through the diligence of Scott Burns and Jeff Haines, to finish the remaining steps of the amphitheater in front of the bandstand. The volunteer work day this last spring saw about two dozen people working on the project. Sod and seed was spread and with much effort to keep sprinklers working over a very dry spring the green grass was maintained. This added improvement was key in the overwhelming success of the town band concert series. Each concert night there were from 250 to 400 people in the park.

After much searching and the holding of a special public hearing, we were able to place a stone in the park that now holds a bronze plaque. The plaque was purchased by the bicentennial committee and could not be placed until the amphitheater steps were in position. The poem on the plaque displays the first four verses of John Greenleaf Whittier's "Legend of the Lake", a fitting tribute to a prior Center Harbor visitor and friend.

The commission, when it was conceived, was to meet monthly on through the summer of the year 2000. However, with the completion of the amphitheater steps at the bandstand and the denial of the erection of a millennial town clock in the park area, the members determined that a majority of the community did not support further park improvements. We therefore felt it was more prudent to disband the park development commission at the end of the 1999 calendar year.

As with all great community ideas, there was a birth of other causes that sprung up to share the limited charitable funds available. We wish to thank all those that share our enthusiasm in the community and have cheered us on. It is very satisfying to know that you care.

Seth Ira Stearns, Chairman
Center Harbor Park Development Commission

CENTER HARBOR TOWN BAND
(ESTABLISHED 1878)

The 121st season of concerts by the Center Harbor Town Band was a very successful one. Beginning with three June rehearsals and concluding with a series of seven programs. The Band membership totaled almost 80 musicians with an average attendance of 49 on concert nights. Six concerts were performed at the Center Harbor Bandstand with an additional concert held in Holderness under the sponsorship of the Science Center of New Hampshire. As an extra added attraction, 15 band members sailed round Squam Lake serenading residents and tourists with a good mix of martial music. Spectators at concerts averaged over 300.

Obviously the season was a great success. But it would not have been possible without the cooperation and help of many individuals and organizations. In addition to the band members and the audience, we are grateful to the Center Harbor Fire Department for the use of the Fire Station, the Center Harbor Police Department for traffic control and assistance in setting-up, the Center Harbor Town Office staff, the Parks and Recreation Department, the Park Development Commission, the Music Department of Inter-Lakes High School and the many individuals who helped out with the sound system and packing up after concerts.

As we said in last year's report, many thanks are due to the Board of Selectmen and the taxpayers of the Town of Center Harbor for their vision and financial support to continue to provide the community and its guests with quality summer evening entertainment.

We look forward to our 122nd year and beyond in declaring that "Friday night is MUSIC night in Center Harbor."

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton Counties is one of nine regional planning agencies established by state statute. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems and mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local dues contributed by member municipalities. Our goal remains to provide support and leadership to the region, its governments, businesses and citizens.

The following is a sample of the services provided by the LRPC as a benefit to the community:

- * Worked with a local committee and the Office of State Planning Scenic Byway Coordinator to identify NH 25B as a Scenic Byway.
- * Coordinated the 14th annual Household Hazardous Waste Collection, the largest single day, multi-site collection in New Hampshire.
- * Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provided a legal perspective on local planning, zoning and other municipal issues.
- * Performed substantial research leading to the publication of the Lakes Region Scenic Byway Corridor Management Plan. The Plan is a guide for local communities interested in maintaining or enhancing the qualities of a scenic Byway.
- * Completed an assessment for a regional household hazardous waste collection center for the Lakes Region. Conducted a regional meeting as a follow-up.
- * Convened two citizen educational workshops: one on the location of cellular towers, and the other on preparing and implementing a successful community survey.
- * Completed the 1999 update to the Regional Transportation Improvement Program. The regional TIP is used by the NH Department of Transportation to prepare the biennial update to the State Ten-Year Plan.
- * In cooperation with the NH Department of Environmental Services, LRPC completed the second year of community outreach that sought priority natural, cultural, and historic resources in all communities. Over 1300 features have been identified.
- * Maintained the Regional Census Data Center, an extensive database of demographic and socioeconomic data on the region, state, and the U.S.

- * Continued area commission meetings to facilitate opportunities for local communities and commissioners to discuss regional projects and priorities, and the role of the commissioner.
- * Provided administrative support to the Advisory Task Force concerned about the relocation of a section of NH Route 140 in the Town of Belmont. The Task Force includes members from neighboring communities.
- * Provided information, including local regulatory recommendations, to communities about the National Flood Insurance Program.
- * Enhanced LRPC's Web Site, www.lakesrpc.org, for the delivery of timely information to our members and the greater public. The web site contains information on meetings and schedules, current LRPC activities, as well as extensive traffic count and socioeconomic database. There are approximately twenty-seven requests a day from the web site.
- * In cooperation with the NH Department of Transportation, the LRPC assumed a major role in conducting an extensive traffic data collection program in all area communities.
- * Fulfilled regional efforts leading to the completion of the Route 16 Corridor Study. This report includes several innovative transportation and land use recommendations that can benefit all communities.
- * Maintained staff support for the Pemigewasset River Local Advisory Committee. The committee is continuing efforts to prepare a corridor management plan. It is anticipated for completion next year.
- * Initiated research on regional commercial, industrial, and residential development trends.

REPORT OF LAKES REGION FAMILY SERVICE ASSOCIATION. INC.

Lakes Region Family Service (LRFS) is a private, non-profit community based social service agency offering programs that promote and strengthen families and individuals. Our work in the community is based on the belief that the family is the basic building block of a healthy, well-functioning society, the vehicle for the passage of values from one generation to the next, and the unit in which we learn to love and communicate with others. The mission of LRFS is to support and empower families.

The Counseling Program - Personal growth and healing for children, teen, adults and families is promoted in a safe, confidential environment. Services are client centered and clients are treated with caring, compassion and respect. Issues dealt with by our staff of experienced professionals include; child/adolescent/adult adjustment, impact of trauma on children including physical and sexual abuse, marital/divorce, re-marriage and blended families, anxiety, depression, stress and grief. Support groups offered throughout the year include Teen Anger Management, Social Skills, Children in Transition, Children who have Witnessed Violence and Stress Reduction.

The Child Advocacy Program - Certified counselors offer assistance to parents and children who are coping with the trauma of child sexual abuse. Services provided by our staff include a 24-hour crisis line, court and hospital accompaniment and support, resource referral, community education and prevention programs, individual and family counseling.

All of the advocacy services are offered at no charge. Funds are received through the Victim of Crime Assistance Program and administered through the Department of Justice of the State of New Hampshire.

Family Support Services - The Child Access Services Program was created to help families that have difficulty interacting in a non-threatening, appropriate manner. The goal of this program is to provide a monitored, safe and structured alternative to unsupervised visits between child and parent. The Center offers a warm, friendly atmosphere where children of any age may visit with their non-custodial parent(s). Uniquely structured to provide safety to both the children and custodial parent, the non-custodial parent must abide by the policies set forth in the Child Access Service Ground Rules.

Mediation Program - Mediation is a process of dispute resolution which brings people together to resolve their conflicts by helping to break down barriers in communication and produce solutions that are acceptable and beneficial to all involved. A neutral third party provides a safe environment where participants are given assistance to design their own agreement. LRFS offers Family, Parent/Child, Peer, Tenant/Tenant and Marital Mediation. Family, Parent/Child and Peer mediation programs are offered at

no charge to our clients. These valuable programs which allow for the prevention or early intervention of problems are funded by a Belknap County Incentive grant, the Lakes Region United Way and town allocations.

LRFS is very grateful for all of Center Harbor's past assistance. Your continuing support will help us to provide all our services into the next millennium.

Sincerely,

Nicole E. Maher, M.A., LCMHC
Executive Director

REPORT OF THE AMERICAN RED CROSS

Dear Friends,

When the need arises, the American Red Cross is ready to serve. The Greater White Mountain Chapter responds when fires, ice storms or other disasters strike the residents of your community. On behalf of our Board of Directors and your residents, I extend our grateful thanks to towns such as Center Harbor that provide financial support to the Red Cross.

The mission of the Red Cross is to help people prevent, prepare for, and respond to emergencies. Responding to emergencies includes providing disaster relief services, and Red Cross volunteers are trained to coordinate and provide for the basic human needs of disaster victims, 24 hours a day, 365 day a year.

Disaster Services - This direct emergency assistance includes vouchers for food, clothing, medicine, emergency shelter, emergency home repairs, and basic household necessities; thorough damage assessments and building repair estimates; and emergency mental health counseling. In addition, Red Cross disaster volunteers work as the liaison between and among other non-profit human service organizations on behalf of disaster victims to coordinate other identified needs such as fuel assistance, emergency care for pets, donations of needed goods and services, pre-disaster needs, etc. All direct assistance from the Red Cross is based on verified, disaster-caused needs. We never send a bill for these services--ever--no matter how costly or how long we must stay on the scene of a disaster.

Armed Forces Emergency Services - The Red Cross also serves as the official communication link between active members of the military and their families, relaying urgent messages regarding birth, death, and serious illness. This service is also provided 24 hours a day, 365 days a year, around the world, without the benefit of any federal or state government funding.

Health and Safety Programs - Preparing for emergencies is also a vital part of the Red Cross mission. We achieve this goal by providing health and safety courses, including first aid, CPR, lifeguard training, water safety, swimming lessons and HIV/AIDS education. Each year, thousands of residents throughout the Chapter received certification in these classes and stand ready to assist when help is needed.

The Red Cross also contributes to the development of the local workforce and economy by offering a nurse assistant training program. Approved by the NH Board of Nursing, the program prepares nursing assistants to meet state and federal requirements for certification for employment in home care, acute care, and long-term care facilities. As the elderly population continues to grow, the need for this type of employee will also.

The American Red Cross/Greater White Mountain Chapter provides these services to 61 communities in its jurisdiction, which covers more than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding; we are a non-profit organization that depends on charitable gifts of time and money from the American people to provide our services. We are proud to emphasize that 92 cents of every dollar goes toward direct service.

An appropriation from Center Harbor will help to ensure that the Red Cross can respond swiftly in times of tragedy, crisis and disaster.

Thank you for considering this request. Please contact me with any questions you may have.

Sincerely,

Denise K. Beauparlant
Chapter Executive Director

REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 1999 allocation of seven hundred and fifty (\$750.00), has enabled us to continue to provide 24-hour crisis support, outreach and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, social service advocacy, and peer support groups for victims of domestic violence and sexual assault. We also run community and school based education programs. We are members of the Belknap County Family Violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county.

In 1998-99 there were 5099 total contacts. The shelter was at capacity most of 98-99. New Beginnings had advocates and staff in Belknap County courts each working day of this budget year. New Beginnings volunteers donated 12,408 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocated for legislative change that affects victims of domestic and sexual assault.

Kathy Keller
Executive Director

INTER-LAKES DAYCARE CENTER AND NURSERY SCHOOL

On behalf of the Board of Directors I would like to once again thank the Town of Center Harbor for their continued financial support to our Agency for the residents of Center Harbor. We greatly appreciate your commitment to our Agency. Inter-Lakes Day Care Center and Nursery School is a private, non-profit licensed, tax exempt community child care agency incorporated in October 1971, and governed by a volunteer Board of Directors.

Our Center is open year round in two sites, from 6:30 AM to 5:30 PM. The Agency provides a comprehensive program of family support for working parents through our infant, toddler, preschool and school age developmentally appropriate curriculum for children six weeks through twelve years old. Services include full and part time child care, morning preschool programs, school based extended day programs, school vacation day camp programs, summer day camp programs, USDA school lunch program for hot meals and snacks, transportation for kindergarten, and the Inter-Lakes Family Daycare Nutrition Program sponsorship. Through the State of New Hampshire under Title XX, for those who are eligible, we are able to provide sliding fee scale tuition based on income and family size. Eligibility is for employment, training, and pursuit of degrees or certificate programs, job search, or temporary disability.
